Water-Based Thermal Barrier Paint

# PLANET SUPRA NEO

Highly functional water-based thermal barrier paint, PLANET SUPRA NEO, has high reflectance of near-infrared radiation to prevent temperature increase, with beautiful glossy finish on the coating surface. With improved weather resistance and antifouling properties, PLANET SUPRA NEO provides beautiful surface appearance for a very long time.

- ① **Glossy Finish & Weather Resistance** : Enhanced weather resistance and antifouling properties.
- ② **Environmental Friendly** : Water-based and eco-friendly paint. Low odor, and with consideration of earth environment.
- ③ **Easy Application** : "Water-based" and "one-liquid type"- simple and easy application enhances workability.
- ④ **Anti-fungus & Algae Control** : Improved anti-fungus and anti-algae properties by our new technology.
- ⑤ **Colors** : Variation of 16 glossy colors.
